## PETITION TO WITHDRAW A HOLDING OF ABANDONMENT UNDER 37 CFR §1.181

The following is submitted in support of Applicant's Petition to Revive an Unintentionally Abandoned Application Under 37 C.F.R. §1.137(b):

The above-identified application became abandoned on April 25, 2008 for Applicant's failure to timely file a proper response to the Office Action mailed on October 16, 2007.

An Amendment was filed on April 16, 2008 with a Petition for Extension of Time (three month), therefore making the response due April 16, 2008. A timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114 was not filed on April 16, 2008. The error was unintentional and occurred without deceptive intention on the Applicant's part. Therefore, the Applicant submits that the above-identified Application was unintentionally abandoned. The entire delay in filing the required reply from the due date for the required reply until the filing of this petition was unintentional.

Filed concurrently herewith is a Request for Continued Examination (RCE) which constitutes a proper reply under 37 CFR 1.113(a) to the final rejection dated October 16, 2007.

The Petition is accompanied by a Credit Card Payment in the amount of \$1540.00 in payment of the required fee set forth under 37 C.F.R. §1.17(m). In light of the Applicant's good faith effort to

file the Amendment and a Request for Continued Examination (RCE) in a timely manner, it is respectfully petitioned that the holding of abandonment be withdrawn. If any outstanding issues still need to be resolved, please contact the undersigned.

Respectfully submitted, DINSMORE & SHOHL, L.L.P.
